## **Four In the Morning**

## **Night Ranger**

Four in the morning

Came without a warning

Everybody's got a place to be

I got holes in my conscience

Shot with a vengeance

I must have been a fool not to seeI need you bad

It's hard to live without your company

I need you bad

So bad I can't take it you seeOh, I can't take anymore

I can't fake anymore

It's such a hard time loving you

I can't take anymore

I can't fake anymore

It's such a hard time loving youThere was a time when I knew you

I held my body to you

Made you feel like you never felt before

And now it's all in the distance

Still you keep resisting

I love you like never beforeOh, I need you bad

It's hard to live without your tender touch

I need you bad

So bad I guess you're playing me touchOh, I can't take anymore

I can't fake anymore

It's such a hard time loving you

I can't take anymore

I can't fake anymore

It's such a hard time loving youI guess I was going in the wrong direction

I guess I was thrown for a while

I need to see you smile

I need you so, yeahI must have been going in the wrong direction

I guess I was thrown for a whileI need you bad

It's hard to live without your company

I need you bad

So bad I can't take it you seeI need you bad

It's hard to live without your tender touch

I need you bad

So bad I want to tell you so muchOh, I can't take anymore

I can't fake anymore

It's such a hard time loving you

I can't take anymore
I can't fake anymore
It's such a hard time loving youI can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving youI can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
I can't fake anymore
I can't fake anymore
