

Hook Line and Sinker

Refused

The bait, the prey, the mice
Debate, the method of demise
Debate, your high
I'll lie beside you, walk you down and lay the beat beneath your bed
Beneath, the dead
Debate, the method in your head
Chemical misanthropy saving you from blame I'll stand below you, lift you up, increase the pain
I'll stand below you, lift you up, increase the pain I wanna see you, hear your voice regret the choice.
Rejoice in watching you collapse
Destroy the map, falling headlong into the gap Swallow poison
Swallow the bait Swallow poison
Swallow every word
Said to free you from blame
I'll stand below you, lift you up, increase the pain
I'll stand below you, lift you up, increase the pain I wanna see you, hear your voice regret the choice.
Rejoice in watching you collapse
Destroy the map, falling headlong into the gap The hunter dying in his trap
The hunter dying in his trap
The hunter dying in his trap
The hunter
Dead Swallow poison
Swallow the bait Swallow poison
Swallow every word Hook
Line
And
Sinker
