Red

For All Those Sleeping

Is it too late
To realize I'm not alone?
The shadows keep me hidden
But they won't let go
Every second, every minute kills me slow
Safe! You're not safe!
But now it's too late, I've realized I'm not alone
You'll never be alone!It's growing in me, so suffocating, I can't breathe
Can my black heart be red again, red again?
It's growing in me, with no remedy, it's too late
Can my black heart be red again, red again, red?
Red again?Is it too late
To pray that I could be alone?
Cause my friends show me visions
That leave me so cold
You can hear them if you listen, they're smiling through
Take it safe!
But now it's too late, I've realized I'm not alone
You'll never be alone!It's growing in me, so suffocating, I can't breathe
Can my black heart be red again, red again?
It's growing in me, with no remedy, it's too late
Can my black heart be red again, red again, red?Tonight I'll search in sight
For any signs of life
I'm just scared of what I'll find
I'll search insideIt's growing in me, so suffocating, I can't breathe
Can my black heart be red again, red again?
It's growing in me, with no remedy, it's too late
Can my black heart be red again, red again, red?
