Chambers

Catherine Mullins

Verse 1:
Welcome into the chambers of the King
I come in cuz He's in love with me
With my heart beating expectantly
I run into the arms of my King

Pre-Chorus:
And everything else in the world fades away as I stare into His face
And the look in His eyes melts my heart and leaves me speechless

Chorus:
He loves me
He cares for me
He loves me
He cares for me

Verse 2:
I was made to be His bride
I was created to wear the purest white
I was made for God's eternal pleasure
I was created for intimacy with the Lord

Bridge:
And over and over again You sing over me Oh Jesus
Sing over me Jesus
And over and over again You romance my heart
With Your songs of love
And over and over again You sing over me Oh Jesus
Sing over me Jesus
And over and over again You romance my heart with Your neverending melody
(repeat)

And over and over again You sing over me Oh Jesus
Sing over me Jesus
And over and over again You romance my heart
With Your songs of love
And over and over again You speak softly to me
With Your words of love
And over and over again You sing over me

Ending:
Welcome into the chambers of the King
I come in cuz He's in love with me
