

I Do Coke

Kill the Noise & Feed Me

I do coke, so I can work longer,
so I can earn more, so I can do more coke

I do coke, so I can work longer,
so I can earn more, so I can do more coke

Coke
so I can work longer, so I can earn more,
so I can do more coke

I do coke, so I can work longer,
so I can earn more, so I can do more coke

(coke) (coke) (coke) (do more coke)

(So I can work longer) (So I can earn more)

(I do coke, so I can work longer,
so I can earn more, so I can do more coke,
so I can do more coke, so I can do more coke,
so I can do more coke, so I can do more coke)

So I can do more coke

Coke, so I can earn more, so I can earn more,
so I can earn more, so I can earn more, so I can
do more coke, so I can earn more, so I can do
more coke, so I can earn more, so I can do more
coke, so I can do more coke.

I do coke, so I can work longer,
so I can earn more, so I can do more coke

I do coke, so I can work longer,
so I can earn more, so I can... do more... coke

(so I can work longer) (so I can earn more)
