

# So Real (Feat. Fifi Rong)

**Phaeleh**

You still make me feel,  
In my veins,  
In my soul. I still don't know you,  
But I feel so real.  
I feel so real. So I run to you,  
I sing for you. So I run to you,  
I run to you.  
So I run to you,  
To you.  
I still don't know you,  
But I feel so real.  
I feel so real. So I run to you,  
I sing for you,  
And on, and on, and on.  
And on, and on.  
So I run to you,  
I run to you.  
So I run to you,  
To you.
