Long Time

Paul Weller

I couldn't find myself
(For such a Long Time)
Thought I was somebody else
(For such a Long Time)
I couldn't find no peaceFor such a Long Time, Long Time(For such a Long Time)
I couldn't place the mood
(For such a Long Time)
My feet did not fit my shoes
(For such a Long Time)
I had dem urban bluesFor such a Long Time, Long Time
For such a Long Time, Long TimeLong Time(For such a Long Time)
I felt so lost and confused
(For such a Long Time)
I only wanted to lose
(For such a Long Time)
There was no way I'd refuseFor such a Long Time, Long Time
For such a Long Time, Long TimeLong Time
