

# What Do You Do When Love Dies

## Dusty Springfield

I wake up in the mornin' cryin'  
I reach out for you, yeah  
I make coffee for one now  
Instead of for two  
My days are so empty, baby  
There's nothin' for me to do  
And the night lost its meaning  
The night I lost you, help me, babe  
What do you when love dies?  
Somebody help me, I'm losin' my mind  
What do you when love dies?  
Somebody help me, I'm losin' my mind  
I run for the 1:10 uptown  
The show starts at two  
I'm surrounded by strangers  
But I'm haunted by you

My life is without direction  
Lost without you, my love  
The past is my shadow  
My shadow is you  
I ain't got nowhere to go  
What do you do when love dies?  
Somebody help me, I'm losin' my mind  
What do you do when love dies on you?  
Somebody help me, I'm losin' my mind, yes, I am, yeah  
Yeah, what do you do when love dies on you?  
Somebody help me, I'm losin' my mind, yeah, yeah  
Somebody help me, I'm losin' my mind  
Past is my shadow, my shadow is you, baby, baby  
What do you do when love dies on you?
