

# Burnin' Up

## Ciccione Youth

Go burn me up 'cause I'm on fire  
And I can't reach my desire  
Do you know that I'm burnin' up for your lovin'  
You ain't convinced that that is nothing With my soul in this position  
And I presume the imposition  
You know I'm alive and there's  
So mean in my heart, it won't die  
I'm burnin' up I'm burnin' up  
I'm burnin' up  
I'm burnin' up You're always closing the door  
I think that that only makes me want you more  
Damned I, too hard for you lovin'  
You aren't convinced that that is nothing Justify my wanting you  
Tell me what you want me to do?  
I'm not blind, and I know  
That you're going to want me but you can't let go I'm burnin' up  
I'm burnin' up  
I'm burnin' up Do you want to sit down with me?  
Would you please  
I ain't the same see I got no shame  
I'm on fire, fire Come on, let go Do you want to sit down with me?  
Would you please  
I ain't the same see I got no shame  
I'm on fire, fire I'm burnin' up, I'm burnin' up  
You got me burnin' up, baby  
I'm burnin' up, I'm burnin' up
