

My Nigga

Lil Boosie

I said that I'ma ride for my motherfucking niggas,
most likely I'ma die with my finger on the trigger/
I been grinding outside, all day with my niggas
And I ain't going in, unless im with my nigga
My nigga, my nigga
My nigga, my nigga
My nigga, my nigga
My nigga, my nigga
First things first, i love all of my niggas
This rap shit crack, then I involve my niggas
You looking for some lean, let me call my niggas
He sell it for the high, I need all my niggas
Some niggas smoke, smoke some niggas drink, drink
Got niggas on the block with the glock they dont think
That's a nigga back up, they in the bucket lapped up
I got thst act right if you niggas wanna act up
He talking like a snitch, no that ain't my nigga
He trippin off a bitch, no, that ain't my nigga
Take a nigga case, shit, that's my nigga
Know him since I was 8, yeah, that's my nigga
Fucked my first bitch passed her to my nigga
Hit my first lick pass with my nigga
Fuck them other niggas 'cause I'm down for my niggas
I ride for my niggas, fuck them other niggas
I said that I'ma ride for my motherfucking niggas,
most likely I'ma die with my finger on the trigger/
I been grinding outside, all day with my niggas
And I ain't going in, unless im with my nigga
My nigga, my nigga
My nigga, my nigga
My nigga, my nigga
You know I'm down with the niggas down for me
I got two words for you, love and loyalty
It's me and my nigga tripping on a half of bean
We used to hit up wall and buy everything you see
Me and my down ass nigga getting twisted
Nigga get to tripping he knock the gravy, out your biscuit
Jay know I fuck with you the long way, my nigga
So when I see you out I'm like hey, my nigga
Tried to act right, buy the case with my niggas
Drink the act right and get straight with my niggas

Me and my nigga riding dirty, tryna chase them figures
Who got the yola? who got the yola? Don't matter, go figure I said that I'ma ride for my motherfucking niggas,
most likely I'ma die with my finger on the trigger/
I been grinding outside, all day with my niggas
And I ain't going in, unless im with my nigga
My nigga, my nigga
My nigga, my nigga
My nigga, my nigga
My nigga, my nigga My nigga got kick, my nigga got weight
My nigga fronted me, he the reason i'm straight
My nigga got a house, my nigga got a lake
My nigga we eatin, my nigga get a plate

Tryna leave my nigga, shawty see me and wanna leave with a nigga
But it wasnt enough room 'cause I came with my niggas
My niggas, my niggas, I need to settle in 'cause I'm too fly, nigga

most likely I'ma die with my finger on the trigger/
I been grinding outside, all day with my niggas
And I ain't going in, unless im with my nigga
