

# Lies

## Elton John

Some lie about who they love  
Some lie about the truth  
Some lie to save their lives  
Some lie about their youth  
Some lie about age and beauty  
The conquest of sex  
Most lie about the night before  
A woman lies for a party dress  
I've lied for a stolen moment  
I've lied for one more clue  
I've lied about most everything  
But I never lied to you  
And we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams  
If I could only hear something that sounds like the truth  
Some lie in the face of death  
Some lie about their fame  
Some kneel and lie to God  
Some lie about their name  
Some lie in words and speeches  
With every living breath  
The young lie with their guitars  
The old lie for a little respect  
I've lied to lie with danger  
I've lied for a drug or two  
I've lied about most everything  
But I never lied to you  
And we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams  
If I could only hear something that sounds like the truth  
I've lied for a stolen moment  
I've lied for one more clue  
I've lied about most everything  
But I never lied to you  
And we lie, lie, lie on a streetcar named desire  
Oh we lie, lie, lie for that sweet bird of youth  
I could be great like Tennessee Williams

If I could only hear something that sounds like the truth
