Pick Up The Pieces

Jason Derulo

Love is fragile
Hearts are easily broken
Hey na na na na na na na na
Hey na na na na na
Hey na na na na na na na na
Hey na na na na na na na na
You don't really wanna let the stuff go
But you're too stubborn to pick up the phone
I'm no better can't admit it when I'm wrong
So round and round we go
I should be happy but I'm feeling so so
It's something missing and I bet it is you
I know it, you know it
We were made for each other so
My shattered heart is on the ground
I gotta see your face right now
Just tell me where
And you'll find me waiting there yeah
Hey na na
Can we forget the past
Hey na na
I miss you I mean it
Hey na na
And if love is made of glass
Hey na na
Can we pick up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na
And if love is made of glass
Hey na na
Can we pick up the pieces
I wear a smile to hide the hurt
Cause no one loves you better than your first
People say that time heals all
So why is it getting worse
I just don't wanna face this battle alone

A broken heart can only beat for so long
I know it, you know it
We were made for each other so
My shattered heart is on the ground
I gotta see your face right now
Just tell me where

And you'll find me waiting there yeah
Hey na na
Can we forget the past
Hey na na
I miss you I mean it
Hey na na
And if love is made of glass
Hey na na
Can we pick up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na
And if love is made of glass
Hey na na
Can we pick up the pieces
Cutting through my soul and it's razor sharp
Now I'm scattered here in a million parts
But how am I supposed to fix a broken heart
Alone, alone, alone
Cutting through my soul and it's razor sharp
Now I'm scattered here in a million parts
But how am I supposed to fix a broken heart
Alone, alone, alone
Hey na na
Can we forget the past
Hey na na
I miss you I mean it
Hey na na
And if love is made of glass
Hey na na
Can we pick up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na
Pick up, pick up, up the pieces
Hey na na na na na na na na

And if love is made of glass
Hey na na
Can we pick up the pieces
Hey na na na na na na na na
The pieces
Hey na na na na na na na na
Oh baby
Hey na na na na na na na na
The pieces
Hey na na na na na na na na
Pick up the pieces
