# Give It Everything You've Got

## Saxon

Just another kid waiting for a break is just bad news
Everybody's working 9 to 5, you got to pay your dues
Listen to your heart, don't let them take away your time
Forget about tomorrow, stop waiting for a signGive it everything, give it everything you've got
Give it everything, give it everything you've gotCan you hear the whistle blowin' in the night somewhere down the line
Calling out your name baby, leave your blues behind
If you wanna take a change, step right up and ring the bell
Let me see your best shot, only time will tell
