

# One Night Stand

Jazmine Sullivan

Hey, I met him at the bookstore  
He said he'd like to get to know me just a little more  
Asked me to dinner, I said I'll bring my girlfriend  
He said that's cool 'cause he was gonna bring his best friend  
But something happened that I wasn't expectin'  
His best friend, all night, had my attention  
Knew it was wrong, I couldn't help it  
And I don't care, I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front, uh uh, I've got you best friend  
Hey boy, I think I like your best friend  
Would you mind if I dined with your best friend, aw, switch?  
And you can take my girlfriend  
I hardly know ya, so, there is no attachments  
You take my chair, I'll sit right there, let's see how that feels  
And don't be mean and make a scene, it ain't a big deal  
'Cause something happened that I wasn't expectin'  
His best friend, all night, had my attention  
Knew it was wrong but I couldn't help it  
And I don't care I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front, uh uh, I've got you best friend  
Hey boy, I think I like your best friend  
Would you mind if I dined with your best friend, aw, switch?

You see baby, it really ain't a big deal, switch  
I mean you a nice guy and all, switch  
But if I met him when I met you, switch  
He probably woulda got the phone call  
Don't make no sense  
To leave with the wrong guy  
If ya best friend  
Could be the love of my life  
Knew it was wrong, I couldn't help it  
And I don't care I'm being selfish  
Know what I want and I want your best friend  
Ain't gonna front, uh uh, I've got you best friend  
Hey boy, I think I like your best friend  
Would you mind if I dined with your best friend, aw?

Something happened unexpected, come on  
She didn't think that this would happen, let's go  
She liked this guy, had a connection, alright  
But it was with her date's best friend  
Ha, ha ha, ha, who would have guessed this?  
That she [Incomprehensible]  
Aw, switch, oh come on, switch  
Oh, oh let's go, switch, oh alright, switch  
Oh yeah, hey boy, I think I like your best friend  
Would you mind if I dined with your best friend, bitch?
