You Make Me Feel

Natalie Brown

(N. Brown/J. Rwakaara)Chorus:
You make me feel
The way that a woman should feel
You give the kind of love that is real
Yes, I sense it inside
You make me feel
So complete, it's right
And I wanna love you for life
Yes, you make me feelV1
From the first day that we met
I knew we were meant for each other
And now I can't imagine
Being with any other
You came into my world, so unexpectedly
I never thought I'd find someone
Who I could love for eternity
You put your hand in mine
I love that you can read my mind
Anticipate my every need
With you I wanna beV2
It wasn't so long ago
That I felt unloved and alone
You walked into my life
A bright star to give me light
You give the respect that I need
Baby, I feel like your queen
Seems when we're together
Time is still, we are in heaven
The things you do for me
So precious and so sweet
Ecstasy is what I feel
When it's you and me
