

# Spirit of '78

Raoul

Tired of school and bored to tears  
Cut class to the tracks cuz ive had it up to here  
The party had started I was just having fun  
When the Man showed up and the war begun

I got into it I'll get out of it  
Get out of here RIGHT NOW  
Save it my dear for someone who might care  
I'll stare you down cuz I KNOW HOW  
leave me alone don't call me on the phone  
The price you'll pay is not a SMALL FEE  
So I'm warning you to be careful what you do  
I'll come after you just WAIT AND SEE

NO MORE CLASSES NO MORE BOOKS  
NO MORE TEACHERS AND THEIR DIRTY LOOKS

We threw bottles and we threw bricks  
But the Man beat us down with his Billy stick  
Bruised and bloody we hadn't gotten far  
When the Man found a Ball in his car

I got into it I'll get out of it  
Get out of here RIGHT NOW  
Save it my dear for someone who might care  
I'll stare you down cuz I KNOW HOW  
leave me alone don't call me on the phone  
The price you'll pay is not a SMALL FEE  
So I'm warning you to be careful what you do  
I'll come after you just WAIT AND SEE

NO MORE CLASSES NO MORE BOOKS  
NO MORE TEACHERS AND THEIR DIRTY LOOKS
