

Mysterious Times (Spencer & Hill Remix)

Sash!

Life,
mysterious life
we're all moving around
dancing the rhythm of lifeTime,
mysterious time
we're all counting the hours and days
'till the end of all timeWere all feeling the change
but we don't know why
choose one direction just one for time
don't say I'm thinking too much
if you see what's behindAnd these are mysterious times
Mysterious times
No trick of the mind
For this moment I feel
like we live in
mysterious times
If you see what's behind
these are mysterious timesSoul
I feel my soul
for this moment
nobody can stop me from flying so highReal
I feel so real
in a world of illusion
you only see what you feelWere all feeling the change
but we don't know why
choose one direction just one for time
don't say I'm thinking too much
if you see what's behindAnd these are mysterious times
Mysterious times
No trick of the mind
For this moment I feel
like we live in
mysterious timesIf you see what's behind
these are mysterious times
If you see what's behind
these are mysterious times
