Always Better with You

Paul Carrack

I tried so hard to make it alone
I was only wasting time, I should have known
The love of a woman is hard to find, I suppose
I've been lucky in my life, better than most I know
Days and nights, we toss and turn and fight
Always one thing leads to another
One man's cloud is another man's cover

It's always better with you

I gave you my heart 'cos you were the only one
Who could ever see that the man in me was a lonely one
Soon I found I'd been on stony ground
Slowly, one thing led to another
One man's cloud is another man's cover

It's always better with you

It's always better with you0
