

I Need You

Donnie McClurkin

Where will I go without,
Your hand holding me
And how could I live without You
I can't see
Lord, what will I do with Life
where will I go
How would I handle things
All that I know
Cos I fail, again
I fall, I fall so short, so short
You Know, You know my end Lord
From the start, You know my heart
I need You

Say now, where will I, where will I

Where will I go without,
Your hand holding me
How would I live without You
I could not see
what will I do in Life
where will I go
How would I handle things
All that I know

I fail, again
I fall, I fall so short
You Know, You know my end
From the start, You know my heart
I need You

When I Call
You hear me
When I call your name
You're right near me
Your hand is there
Right there to hold me
I need, I need You Lord
I need You when I call

You hear me

When I call your name
I can see, You're right near me
Your hand is there
To hold me

I need You

I need You Lord
I need You

I need You

I need You Lord
I need You

I need you

I need You Lord
I need You

I fail again
I fall so short
