

# If I Lose

## The Stanley Brothers

I never thought I'd need you but now I found I'm wrong  
Come on back sweet mama back where you belong  
I've gambled all over town find that I can't win  
So come on back and pick me up again  
Now if I lose let me lose  
I don't care how much I lose  
If I lose a hundred dollars while I'm trying to win a dime  
My baby she's got money all the time Of all the other gals I know no one can take your place  
Cause when I get into a jam they just ain't in the race  
So now that you're back dear let's take another round  
With you here by my side dear the deal just can't go down
