Someone New

El Caco

You know, I just heard the news
My hands are numb, it killed the fuse
Iâ€™m sick, youâ€™ll see no bravery
Iâ€™ll make no scene you see, Iâ€™ll just reveal it

Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do
Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do

A rush of whyâ€™s coming close
I think I said Iâ€™ve had, Iâ€™ve had my dose
A flirt, I thought we squeezed that fly
If I only knew then, that it was a lie

Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do
Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do

Can I get no sleep at night
Iâ€™m awake, angry and blue
Now and then I understand
Hear my words when I tell you

Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do
Iâ€™ve got someone new, and you know itâ€™s true
Iâ€™ll come back to you, and you know you do
