Love You Anyway

Boyzone

Tell me what you want from me
So I can try to make you see that I'm in no position for giving
'Cause all I see you do is lie and I can't help but close my eyes
And wonder 'bout you in my life, I'm drowning in your tear
I'm delirious, are you serious?
What goes on in your head, I'm just curious
'Cause I'm hanging here, got me dangled here
Think your love, oh your love has got off my head
It's unbelievably hard to love you but I love you anyway
I've been trying too hard not to love you but I love you anyway
Oh, I should've known that you'd go and steal my eyes
Oh, I should've known from then on I'd lose my life
I'm delirious, are you serious?
What goes on in your head, I'm just curious
'Cause I'm hanging here, got me dangled here
Think your love, oh your love has got off my head
It's unbelievably hard to love you but I love you anyway
I've been trying too hard not to love you but I love you anyway
It's so incredibly hard to love you but I love you anyway
And every time I try too hard not to love you, I love you anyway
I don't get it, I really don't get it
I try to walk away but my feet won't let me
I don't get it, I just don't get it
I try to walk away but my feet won't let me
You hear me baby
You drive me crazy
You hear me baby
You drive me crazy
It's unbelievably hard to love you but I love you anyway
I've been trying too hard not to love you but I love you anyway
It's so incredibly hard to love you but I love you anyway
Every time I try too hard not to love you, I love you anyway
I don't get it, I really don't get it
I try to walk away but my feet won't let me
I don't get it, I just don't get it
I try to walk away but my feet won't let me
