

Everything

Barbra Streisand

I want to learn what life is for
I don't want much, I just want more
Ask what I want and I will sing
I want everything, everything
I'd cure the cold and the traffic jam
If there were floods, I'd give a dam
I'd never sleep, I'd only sing
Let me do everything, everything
I'd like to plan a city, and play the cello
Play at Monte Carlo, play Othello
Move into the White House, paint it yellow
Speak Portuguese and Dutch
And if it's not too much
I'd like to have the perfect twin
One who'd go out as I came in
I've got to grab the big brass ring
So I'll have everything, everything

I'm like a child who's set free
At the fun fair
Every ride invites me
And it's unfair
Saying that I only
Get my one share
Doesn't seem just
I could live as I must
If they'd give me the time to turn a tide
Give me the truth if once I lied
Give me the man who's gonna bring
More of everything, more of everything
Then I'll have everything, then I'll have everything
Everything, everything
