

kingdom come (feat kirk franklin)

[Jill Scott](#)

Come on, I've been up, I've been down
Been looking for some joy to come around
I've been praying for some sunshine
Been looking for a love that I can call mine
See I've cried for so long
Now I'm ready for the tears to be gone
So, I'm calling You right now
'Cause You said that I could make it, Lord anyhow
So I'm gonna wait, on You
'Cause I know that You're gonna pull me through
I hear you telling me to be strong
'Cause deliverance is coming and it won't be long
The storm will pass away
I believe it's gonna be a brighter day
I can finally see the sun
So I'm waiting on You till Thy kingdom come
Listen, this world can be cold
And I can feel the hurting in my soul
But the pain it won't last long
'Cause you know it's only here to make me strong
Just take it from me
Someday we're gonna be free
Weeping may endure for a night
But the Lord said it's gonna be alright, Hallelujah
So I'm gonna wait, on You
'Cause I know that You're gonna pull me through
I know You will, You're telling me to be strong, that's right
'Cause deliverance is coming and it won't be long
The storm will pass away
I believe it's gonna be a brighter day
I can finally see the, the sun
So I'm waiting on You till Thy kingdom come
So I'm gonna wait, on You
'Cause I know that You're gonna pull me through, Hallelujah
I hear You telling me to be strong
'Cause deliverance is coming and it won't be long
The storm will pass away
I believe it's gonna be a brighter day
I can finally see, the sun
So I waiting on You till Thy kingdom come, just got y'all
Come on, so I'm gonna wait, on You
'Cause I know that You're gonna pull me through, Hallelujah
Come on y'all, He's telling us to be strong
'Cause I know that deliverance is coming and it won't be long
So the storm will pass away, Hallelujah
It's gonna be a brighter day
Can't You finally see the sun, that's like I'm going in there
I'm gonna wait till Thy kingdom come
So I'm gonna wait, on You
'Cause I know that You're gonna pull me through
I can hear You telling me to be strong

That deliverance is coming and it won't be long So the storm will pass away
I believe it's gonna be a brighter day
Can't you see it, can't you see it, I finally see the sun
So I'm waiting on You till Thy kingdom come So I'm gonna wait, on You
'Cause I know that You're gonna pull me through
Can't you hear Him, He's telling you to be strong
'Cause I know the deliverance is coming and it won't be long So the storm will pass away
