

# I'm Free

## Jo Dee Messina

You try with all your mind  
you had to have control you held  
on so tight you almost crushed  
my soul and now im breakin  
from these chains  
not lookin back again

-chorus-

hey! hey!

Look at me now im flyin  
cause you aint got the  
best of me yaaa these  
wings will take me higher  
than you thought id ever  
be yaaa look at me I'm free  
like a king on his throne  
your heart was made of  
stone you saw what you'd  
want to see but never  
noticed me i was never  
good enough for you now  
that we're through

-Chorus Repeat-

heyyy look at me now im  
flyin cause you aint got  
the best of me yaaa these  
wings will take me higher  
than you thought i'd ever  
be ya look at me I'm Free!

I'm Free!

Heey Ya look at me now  
look at me now cause you  
aint you aint got the best  
of me yeah these wings will  
take me higher than you  
thought i'd ever be yeah
