

The Loosing of the Shadow

Gatsby's American Dream

How could you understand
The way I feel about God?
How could you understand
Anything, about me at all? I am the wind, singing a sad song
I am a volcano and I'll hurt you all My pride ripped a hole in the world
That set loose a shadow How could you understand
The way I feel about God?
How could you understand
Anything, about me at all? I am the wind, singing a sad song
I am a volcano and I'll hurt you all Billows and billows
Watch the smoke rise
I sail to the jaws of the dragon
A beast before me A shadow, behind me
And the only certainty
I'll hurt you all
