## The Illusions

•Hey, Boy•

The Illusions (w/Instruments) 1962

The Vibraniques (Acapella) 1963

Key: C#

Intro:

Hey, Boy (Bass)

(All) La la la la la la la la la la (2X)

Hey, Boy, get off that high horse,  
Get on the right course,  
She loves you with all her heart,  
So, take her in your arms,  
Before it's too late --- be smart!

Well,

You've been running all around trying to pretend.  
You've been telling all your friends that this is the end,  
Well, I'm telling you, you better beware,  
Or this is the end for you.

Um-hum,

Hey, Boy, get off that high horse,  
Get on the right course,  
This living dream that your passing by, you fool,  
Will some day love another, then you'll wonder why.

Outro:

Hey, hey, hey, boy, (Bass)

(All) La la la la la la la la la la (2X)
