Devour

Strapping Young Lad

Devour the livingDevour the dead
Divide... Divide... Divide
We learn how we live when we die
We learn how we live when we die
Divide... MULTIPLY
Divide... MULTIPLY
Divide... MULTIPLY
We learn hown we live when we die
One hundred or more in the wombDividing the living... Defining the dead
One hundred will burn it away
One hundred will go... one hundred below
Oh God help me with these dreams
Of one hundred millions souls washed away
One hundred will go... one hundred below
One hundred will burn it away
