

Down Endless Street (Remastered)

Fleetwood Mac

Well you say you'll be fine
When you walk out that door
 Oh will it be that easy
To see me no more?Well, will you be fine?
 Are you complete?
 Say you'll survive
 Down Endless Street
 Down Endless Street
Down Endless StreetWell say you'll be fine
 When you walk out that door
 Oh, will it be that easy
To see me no more?Will you survive?
 Are you complete?
 Say you'll be fine
 Down Endless Street
 Down Endless Street
 Down Endless Street
