What You Need

Adam Kanyama

Oh yeah
If you belonged to me nothing else would matter
I'd give you the moon and the stars on a silver platter
Kiss you the way you should be kissed
And show you the kind of love that you missed
So hear me
Sweet baby
My heart won't lie
Oh no
What you need is what you get if you come to me
I'll give you love you won't regret I'll set you free
If you believe like I believe boy, you know it's true
Everything you need, I'll give to you
You've been alone too long baby, let me help you
Show you where your heart belongs you know I'd love to
Give you one thousand reasons to stay
Be the light in my window if you lose your way

So don't fear
Baby, I'm right here
I'll never leave you
What you need
What you need is what you get if you come to me
I'll give you love you won't regret I'll set you free
If you believe like I believe boy, you know it's true
Everything you need, I'll give to you
This is a promise you can keep
Just bring your broken heart to me
Baby, you know I'll always be the one you've waited for
The girl you've dreamed of just let me in and you'll see
What you need is what you get if you come to me
I'll give you love you won't regret I'll set you free
If you believe like I believe boy, you know it's true
Everything you need, I'll give to you
