Suitcase

Badfinger

Suitcase, suitcase, follow me 'round
Boot lace, boot lace, tie me down
Money for fun, yeah, golden crowns
It's all inside a game we've been playin' so longDriver, driver, go too fast
Miser, miser, make it last
Pusher, pusher, on the run
It's all inside a game we've been playin' so longAnd I'm sorry to be leavin'
That's all I get to say
I'm sorry to be leavin' today, yeah, yeahAnd I'm sorry to be leavin'
That's all I get to say
Sorry to be leavin' today, yeah, yeahDriver, driver, go too fast
Miser, miser, make it last
Pusher, pusher, on the run
It's all inside a game we've been playin' so longSo long
So long
So long
