Not About Angels (From "The Fault In Our Stars")

Birdy

We know full well there's just time
So is it wrong to toss this line?
If your heart was full of love
Could you give it up?'Cause what about, what about angels?
They will come, they will go, make us specialDon't give me up
Don't give
Me upHow unfair, it's just our love
Found something real that's out of touch
But if you'd searched the whole wide world
Would you dare to let it go?'Cause what about, what about angels?
They will come, they will go, make us specialDon't give me up
Don't give
Me up'Cause what about, what about angels?
They will come, they will go, make us specialIt's not about not about angels, angels
