

# Fifteen Years Ago

Daryle Singletary

I saw a man today who said he talked to you  
Not so long ago, I think a month or two  
As my mind raced back in time I prayed  
Oh, Lord, don't let it show  
He thinks I forgot you fifteen years ago  
Fifteen years ago and I still feel the same  
Why did he have to mention your name  
I'm as broken up inside as if it's been a week or so  
It takes a mighty strong love to keep a man thinking of  
A girl he hasn't seen since fifteen years ago  
I've got a lovely wife who thinks the world of me  
Promised her my love through all eternity  
I've tried hard to make her happy  
And so far she doesn't know  
I can't shake this thing from fifteen years ago  
Fifteen years ago and I still feel the same  
Why did he have to mention your name  
I'm as broken up inside as if it's been a week or so  
It takes a mighty long time to get a real love off your mind  
I know I've tried since fifteen years ago  
It takes a mighty long time to get a real love off your mind  
I know I've tried since fifteen years ago
