

J Town Story

Iraj

[Chorus]

Brother could you show some love,
I donâ€™t know where I got to go.
A familyâ€™s love Iâ€™ve never known,
Would you care just to help me.

In this world Iâ€™m all alone,
Life is nothing but a big hell hole.
A familyâ€™s love Iâ€™ve never known,
Would you care just to help me.
