

Love's In Need

Blackstreet

Love's in need
Good morn or evening, friends
Here's your friendly announcer
I have serious news to pass on to every-body
What I'm about to say
Could mean the world's disaster
Could change your joy and laughter
To tears and pain
What I want the world to know is Love's in need of love
For the love today
Don't delay
Send yours in right away
Hate's goin' round
Breaking many hearts
Stop it please
Before it's gone too far The force of evil plans
To make you it's possession
And it will if we let it
Destroy ev-er-why-body
We all must take
Precautionary measures
If love and please you treasure
Then you'll hear me when I say Oh that
Love's in need of love loves in need
For the love today
Don't delay, don't delay
Send yours in right away, right away
Hate's goin round
Breaking many hearts, breaking hearts
Stop it please, stop it please
Before it's gone too far, gone too far Love's in need of love today, love's in need of love today
Don't delay, don't de-lay
Send yours in right away, right away
You know that hate's, hate's
Hate's goin' round, goin' round
Breaking many hearts, break-ing hearts
Stop, stop it please
Before it's gone too far, gone too far Love's in need of love today, love's in need of love today
Don't delay, don't delay

Send yours in right away, right away
You know that hate's, hate's
Hate's goin' round, goin' round
Breaking - hate's tried to break my heart many times, breaking hearts
Don't, you've got to stop it please, stop it please
Before, before, before gone too far Love's in need of love today, love's in need of love today
Don't delay, don't delay
Send yours in right away, right away
You know that hate's, hate's
Hate's goin' round, goin' round
Breaking - hate's tried to break my heart many times, breaking hearts
Don't, you've got to stop it please, stop it please
Before, before, before gone too far Hate's, hate's, hate's goin' round
Bring it down a little, love is very peaceful
So bring it down a little
Well, stop it please
Before its gone to far No no no no no no no
