[Morrissey](#)

Oboe concerto

All the best ones are dead  
And there's a song I can't stand  
And it's stuck in my head There's a song I can't stand  
And it's stuck in my head Oboe concerto  
All I do is drink to absent friends  
And there's a song I can't stand  
And it's stuck in my head There's a song I can't stand  
And it's stuck in my head The older generation have tried, sighed and died  
Which pushes me to their place queue Round, rhythm goes round  
Round, round rhythm of life goes round  
Round, the rhythm goes round  
Round, round rhythm of life goes round  
Round, the rhythm goes round  
Round, round rhythm of life goes round  
Round, the rhythm goes round  
Round, round rhythm of life goes round
