Since You Been Gone

Rainbow

I get the same old dreams same time everynightFall to the ground and I wake up
So I get out of bed, put on my shoes and in my head
Thoughts fly back to the breakup
These four walls are closing inLook at the fix you put me in
Since you been goneSince you been gone
I'm out of my head can't take it
Don't have me wrong
But since you been gone
You cast your spell so break it
Oh-oh, oh-oh, oh-oh
Since you been gone
So in the night I stand beneath the backstreet light
I read the words that you sent to me
I can take the afternoon, the night time comes aroundToo soon
You can't know what you mean to meYour poison letter, your telegram
Just goes to show you don't give a damn
Since you been gone
Since you been gone
I'm out of my head can't take it
Don't have me wrongBut since you been gone
You cast your spell so break it
Oh-oh, oh-oh, oh-ohSince you been gone
If you will come back
Baby, you know you'll never do wrong
Since you been gone
Since you been gone
I'm out of my head can't take it
Don't have me wrong
But since you been gone
You cast your spell so break it
Oh-oh, oh-oh, oh-oh, oh-oh
Ever since you been gone
Since you been gone
Since you been gone
I'm out of my head can't take it
Since you been gone
Since you been gone
