# Beautiful (12" Canny mix)

## Mandalay

You can depend
On certainty
Count it out and weigh it up again
You can be sure
You've reached the end
And still you don't feelYou know about anythingDo you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you areYou can ignore
What you've become
Take it out and see it die again
You can be here
For who's a friend
And still you don't feelYou know about anythingDo you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you areInnermost thoughts
Will be understood and
You can have all you needDo you know you're beautiful
Do you know you're beautiful
Do you know you're beautiful
You are, yes you are
