

Part Time Love

Luther Allison

I need somebody
Who's consistent with me
Someone already there
When I need company
Cuz when I'm feelin' low
I don't wanna have to go out lookin'
For a part time kinda love
And when the dreams and rainbows start to disappear
I don't want somebody up and runnin' out of here
And when you stop and start
Baby it's a just too hard upon my heart
That part time kind of love
I can't take it darling
Livin' here and wait'n see
I want somebody who's committed now to me
Somewhere, somewhere
Someday, someday you've got to take a chance
If you like the music baby
Get up and dance

If we go together daring to dream
I know we're gonna find our share of peaches and cream
And when the juices flow
I don't want to know no no excuses
Just want your full time love for me
I can't take it darling
Livin' here and wait'n see
I want somebody who's committed now to me
Just me, yeah, yeah
Somewhere, somewhere
Someday, someday you've got to take a chance
If you like the music baby
Get up and dance
If we go together daring to dream
I know we're gonna find our share of peaches and cream
And when the juices flow
I don't want to know no no excuses
Just want your full time love for me
Just want your full time love for me

Your full time love for me
