

Beautiful Place

Good Charlotte

mother can we start over?
i want to be the boy I was back then
but the world came
and made me colder
i want to feel the way i did back then
with love in my heart

we live in a beautiful place
let love take away all of this pain
we live in a beautiful place our home
we've wasted so many days
our hearts are as dark as the rain
we live in a beautiful place our home

father can we start over?
take me to the places that we lived
for the days came and made us older
i want to feel the way i did back then
through hot and through cold

we live in a beautiful place
let love take away all of this pain
we live in a beautiful place our home
we've wasted so many days
our hearts are as dark as the rain
we live in a beautiful place our home

our hearts are as dark as the rain oh oh
our hearts are as dark as the rain oh oh
its a beautiful place if we make it
such a beautiful place to be wasted
here we go

we live in a beautiful place
let love take away all of this pain
we live in a beautiful place our home

we live in a beautiful place
let love take away all of this pain
we live in a beautiful place our home

we've wasted so many days
our hearts are as dark as the rain
we live in a beautiful place our home
