

We Are One

Bishop Paul S. Morton, Sr.

Come, now is the time to worship
Come, now is the time to unite our hearts
So come, out of your corners for worship
Come, now is the time to stand as one, come?

One day there will be no more black church or white
In your presence we're all the same
We have come together for one purpose
To glorify your name

Come, today is the day of the kingdom
Together we stand; there is now way we can lose
We win, one in the spirit, the victor
Yes, Satan's defeated we've overcome? we're one

One day there will be no more black church or white
In your presence we're all the same
We have come together for one purpose
To glorify your name

Forgetting what's behind us we press toward the mark
Praying that your kingdom will come
There is no division or schism here
Today we stand as one?

Come, now is the time to worship
(We will worship, we will worship you?)
Come, now is the time to unite our hearts
(We united our hearts, we unite our hearts?)
So come, out of your corners for worship
(We will worship, we will worship you?)
Come, now is the time to stand as one, come?
(Tonight we stand as one; tonight we stand as one?)
