

Enjoy the Show

Kill Your Idols

Don't even know Why or what you hate False negativity I know I can't relate Clench your fists in anger at those
who will oppose your hate is just a label an image that you chose open your mind and you will see You don't
prove a fucking thing to me repeat first verse We're just here to enjoy the show Break down the walls of hatred
Do us all a favor and let it go
