

5 Minutes Alone

Nonpoint

I see you had your mind all made up
You group of pitiful liars Before I woke to face the day
Your master plan transpired Something told me
This job has more to meet the eye My song is not believed?
My words somewhat deceiving? Now I'm unwhole You waged your war of nerves
But you can't crush the kingdom
Can't be what your idols are
Can't leave the scar
You cry for compensation
I ask you please just give us...5 minutes alone
Just give me
5 minutes alone, yeah! I read your eyes, your mind was made up
You took me for a fool You used complexion of my skin
For a counter racist tool You can't burn me
I've spilled my guts out in the past Taken advantage of
Cause you know where I come from
My past You've waged a war of nerves
But you can't crush the kingdom Can't be what your idols are
Can't leave that scar
I'll pay your compensation I ask you please just give us...5 minutes alone
Just give me
5 minutes alone, yeah! Head bangs on broken glass 5 minutes... alone Just give me, yeah! I ask you please just
give us...
5 minutes alone Just give me
5 minutes alone, yeah! I ask you please just give us
I ask you please just give us 5 minutes alone
