There's nothing you can do about itThere is someone who knows everything there is to know And there is someone who is too afraid to let it show We live by consequences we never seem to get it right Conflict of circumstances and sometimes we may lose a fightWouldn't you know something is going wrong Wouldn't you know something is really wrong And you can't do a thing about itNo, no, no you have no authority No, no, no I am who I want to be There are those of us who just sit back and never try There are those of us who just sit back and wonder why We live by consequences we never seem to get it right Conflict of circumstances and sometimes we may lose a fightWouldn't you know something is going wrong Wouldn't you know something is really wrong And you can't do a thing about itNo, no, no you have no authority No, no, no I am who I want to be Wouldn't you know something is going wrong Wouldn't you know something is really wrong And you can't do a thing about itNo, no, no you have no authority No, no, no I am who I want to be And I know who I want to be
