

Uppermost

Jackson 5

Uppermost, uppermost, uppermost on my mind Why would you accuse me of inconsideration?

When every minute and every hour

I'm at your beckon call, ooh I just can't sleep at night

Until I know that you're alright

And the days well let's not talk about them at all, ooh 'Cause you're the uppermost on my mind

Uppermost on my mind

Don't you know I think about you baby all of the time I said, said, said that you're the uppermost on my mind

Uppermost on my mind

First in every way, first baby come what may

You're the uppermost, uppermost, uppermost on my mind Uppermost, uppermost on my mind Ooh, I guess I'm
tired and guilty

Of thinking about myself

But I got to be together baby

To care for you, oh, yes I do And as long as you love me

I'm gonna try my best to see

That the moments to myself

Are very few, oh, oh, oh You're the uppermost on my mind

Uppermost on my mind

Don't you know I think about you baby

All of the time, yeah, yeah, yeah You're the uppermost on my mind

Uppermost on my mind

First in every way, first lovin' me today

You're the uppermost, uppermost

Uppermost on my mind yeah, yeah You're the uppermost on my mind

Uppermost on my mind

Don't you know I think about you baby

All of the time, yeah, yeah, yeah You're the uppermost on my mind

Uppermost on my mind

First in every way, first lovin' me today

You're the uppermost, uppermost

Uppermost on my mind
