

Who I Am with You

Chris Young

I've been a rolling stone all my life
Flying all alone, flying blind
I've seen it all, I've been around
I've been lost and I've been found But who I am with you is who I really wanna be
You're so good for me
And when I'm holdin' you, it feels like I've got the world in my hands
Yeah, a better man is who I am with you I've got a ways to go on this ride
But I got a hand to hold that fits just right
You make me laugh, you make me high,
You make me wanna hold on tight 'Cause who I am with you is who I really wanna be
You're so good for me
And when I'm holdin' you, it feels like I've got the world in my hands
Yeah, a better man is who I am with you
Who I am with you Because of you I'm a lucky man
You're the best part of who I am Who I am with you is who I really wanna be
You're so good for me
And when I'm holdin' you, it feels like I've got the world in my hands
Yeah, a better man is who I am with you Yes, who I am with you
