I Want It All

Krokus

Can't sit around and I won't look back
Runnin' outta time
Here comes the train tearin' up the track
And I know it's mineYou put high stakes on me
Now I've gotta go
I'm gonna take a chance on a winner's streak
The only way I knowWhen the lights are burnin' bright come on, say yeah
I can feel your spirit by my side, touching me with every songI want it all
(I want it all)
Yeah, I want it all
(I want it all)
I want it all
(I want it all)
And I won't let you goMy life has changed in oh so many ways
I don't regret a thing
Yes we just pushed on together through some tough and cruel days
Whatever life would bringYou put your trust in me
Now I've gotta go
I'm gonna take a chance on a winner's streak
The best way I knowWhen the lights are burnin' bright come on, say yeah
I can feel your spirit by my side, touching me with every songI want it all
(I want it all)
Yeah, I want it all
(I want it all)
I want it all
(I want it all)
And I won't let you go
Oh honey, stand by me, yeah(I want it all)
Babe, you're magic
And you know honey my life is in your hands
(I want it all)
(I want it all, I want it all)I want it all
(I want it all)
I want it all
(I want it all)
I want it all
(I want it all)
And I won't let you go
(I want it all)I want it all

(I want it all)
I want it all
(I want it all)
I want it all
(I want it all)
And I won't let you go
Always stand by me, yeah
