Early Mourning

The Miserable Rich

Last night I forgot
How the sound of your voice
Whispered sweet, goodbyes
Your eyes, left to die
[Incomprehensible] understand why
Why not one more night
One last kiss goodbye
My sweet love tonight
I hope the stars
Still spell out your name
Where you are
Kiss my closing eyes
Help me sleep
Without you, I'm so lost
Tonight I cry, tell me why
I can't live without
Your warm embrace
Why not one more night
One last kiss goodbye
My sweet love tonight
I hope the stars
Still spell out your name
Where you are
I close my eyes and
You are everything I see
Goodbye
Goodbye to you my love
I won't forget you
I'll see you soon
Goodbye my love
Goodbye to you my love
I won't forget you
Bye, bye love
