Sound Of Letting Go

David Guetta

This is the point of no return
'Cause this is where we crash and burn
And now every time I face this pain
I can hear it coming back again
It's the sound of letting go
It's the sound of letting go
It's the sound of letting go
It's the sound of letting go
It's the sound of letting go
Breaking up and breaking down
This is what we've come to now
What's the use, we can't deny
Can't you hear it?
It's the sound of letting go
We could go around all day
Fine excuses we can say
In the silence I can hear
Can't you feel it?
It's the sound of letting go
It's getting louder and louder
What we gonna do?
It's getting louder and louder
Fillin' up the room
I can hear it, hear it
Comin' over us
I can hear it tellin' me
That we've had enough
It's getting louder and louder
What we gonna do?
It's getting louder and louder

Fillin' up the room
I can hear it, hear it
Comin' over us
It's the sound of letting go
I know you can hear it
It's the sound of letting go
I know we can't deceive it
I know you can hear it

It's the sound of letting go
I know we can't deceive it
It's the sound of letting go
I can't let it break me down
This is what we've come to now
What's the use, we can't deny
Can't you hear it?
It's the sound of letting go
Every time I face this pain
I hear it coming back again
And I've been calling out your name
Can't you hear it?
It's the sound of letting go
I can hear it, I can hear it
I can hear it
It's the sound of letting go
I can hear it, I can hear it
It's the sound of letting go
I can hear it, I can hear it
It's the sound of letting go
