

# Andy's House

Nico Stai

andys house (day 2)cristas got a sixty  
and Ive got all the works you need  
says shes gonna lift me  
pulling pins from the back seat  
were leaving the white house  
going to the wishing well  
but outside its getting cold  
man  
outside its getting cold as hell  
well I dont want to stay here  
here beneath the dim lights scream  
Im looking past the curtains  
and I think this might be what I need  
the bathroom is ready  
I feel as if they're closing in  
and so I keep on missing  
man  
I keep on missing themwake up andy  
I am leaving  
wake up andy  
Ive got time on my handsnico stai 2006 sin paloma music
